

VISITOR GUIDELINES CORONAVIRUS INFORMATION

**Protecting your health and the people around you.
In case of fever and other symptoms associated with Covid-19,
please postpone your visit.**

VISITING CONDITIONS

In order to guarantee your safety and that of our team, the Fondation Cartier pour l'art contemporain has adapted its visiting conditions.

- The purchase of tickets is now done **online only with the reservation of a specific time slot on fondation-cartier.tickeasy.com. Tickets are in the visitor's name.**
- We are operating with a **reduced** capacity. Please respect the time slot reserved at the time of booking.

Fondation Cartier guides and staff are on hand to help you respect these guidelines and ensure that your visit is an enjoyable one.

PROTECTIVE MEASURES

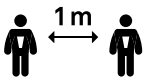

To protect your health and limit the potential transmission of the virus, we ask you to respect the following protective measures in our exhibition spaces.

To protect your health and those around you, a mask is obligatory for all those over the age of 11 in the exhibition spaces and is recommended for the garden in case of strong affluence.

Disinfect your hands on a regular basis. Hand sanitizers are available throughout our exhibition spaces. Toilets are available on the lower level if you wish to wash your hands.

Please respect the minimum distance of 1 meter with the other visitors.

Cough or sneeze into the crook of your arm or a tissue.

Use a tissue once and throw it away. Trashcans are available at the entrance to the Fondation Cartier, in the garden, and in the toilet on the lower level.

Thank you for your understanding.
