NEW PUBLICATION
DAVID LYNCH, *NUDES*

SIGNATURE: David Lynch will sign his new publication *Nudes* at the Grand Palais during Paris Photo on Thursday, November 9, 2017 between 6pm and 8pm (accessible with an entrance ticket of the fair).

"I like to photograph naked women. The infinite variety of the human body is fascinating: it is amazing and magic to see how different women are."

David Lynch

Ten years after the exhibition *The Air Is on Fire*, which unveiled David Lynch's photographic and painting work, the Fondation Cartier pour l'art contemporain will publish a book featuring more than a hundred black-and-white and color images of feminine nudes realized by the artist. These erotically-charged photographs are close to abstraction, offering kaleidoscopic visions of the woman. They attest to David Lynch's fascination with the infinite variety of the human body, while being in line with his cinematographic work.
